IDT Secures new loan Facility with ScotPac

IDT Australia Limited (ASX: IDT) (IDT or the **Company**) is pleased to announce it has secured a \$20 million asset-based loan facility with Scottish Pacific Business Finance Pty Ltd (**ScotPac**), which will provide IDT with the financial flexibility to support its growing sales pipeline and capitalise on recent contract wins, positioning the Company for continued growth.

The ScotPac facility replaces IDT's current \$4.7 million facility with the National Australia Bank and underscores IDT's strategic commitment to scaling its operations in response to increased demand and expanding market opportunities in Australia and internationally. Settlement of the facility is expected to take place in January 2025.

IDT reported a 91% Year-on-Year jump in operating revenue to \$12.3 million for FY24, and a 70% increase in total unaudited revenue to \$5.2 million in Q1FY25 over the same period last year – positioning the Company to deliver further growth in the current financial year and beyond.

The ScotPac facility is structured on standard commercial terms with the following key terms:

- Facility Amount: \$20 million.
- Term: Initial 36 months, with potential to roll into an ongoing term, subject to mutual agreement.
- Discount Charge (Interest Rate): 10.60% per annum, based on ScotPac's variable base rate of 8.35% plus a 2.25% margin.
- Security: The facility is secured against a portfolio of IDT's assets, including property, equipment, and receivables.
- Covenants: Company to hold appropriate insurances over the assets and provide updates on statutory taxation obligations and amounts due to the Australian Taxation Office.

Paul McDonald, the Chief Executive Officer of IDT Australia, said:
